

Support for the **next generation** of preachers and bible teachers to **spread God's Word**

LWPT helps preachers in three key ways

### Vocational Grants

Vocational grants are available to those who need financial help to enable them to pursue their vocation in ministry, including to those in the early stages of exploring their calling to preach.

Grants can be used towards **course fees and materials for any recognised course** that enables the applicant to explore or develop their preaching skills.

### Communication

LWPT helps develop Bible-based communication skills through **online workshops and webinars led by well-known Christian leaders**, who teach the skills communicators need in all UK churches.

Whether those leaders lead house groups, work as counsellors or evangelists, simply speak from a pulpit or lead worship, LWPT aims to shape the shapers of local UK congregations.

### Preacher Resources

LWPT publishes digital and print resources to develop preaching and sermon writing skills.

**Preach magazine** offers a biblical perspective on current UK and world issues.

**Preachweb** features specially curated content, including articles, blogs, book reviews and digital issues of *Preach*. **Bible Month**, our annual study course in partnership with The Methodist Church, focuses on one book of the Bible per edition.
